Welcome to #teamlidl

A good idea was the origin, a successful concept is the result. Being able to offer quality at a good price to as many people as possible drives us - now worldwide, because we are Lidl. This is the professional home of diverse talents. Whether in purchasing, logistics, goods business or IT; whether as a source of inspiration, designer or service provider for the states. We are looking for go-getters, enablers and offer exciting tasks and projects in a dynamic and international environment. At Lidl everyone finds their personal challenge. Because Lidl is worth it.
