

(Junior / Senior) Consultant Performance Improvement Team (any gender)

Internal
vacancy

Become part of our **Performance Improvement Team** for Intralogistics at Lidl Stiftung! You will have the opportunity to play an active part in **optimizing processes** for over 180 regional distribution centers and numerous warehouses.

You will be able to contribute your ideas and help us to develop innovative solutions that will really make a difference. Take this opportunity to grow in an inspiring environment and have a real impact on the efficiency of our logistics!

We welcome applications from all Lidl countries!

What You'll Do

- Carry out performance analysis in countries in order to develop measures for improving performance and reducing costs
- KPI, data and process analysis
- Preparation and presentation of results to stakeholders from various hierarchy levels
- Introduction and follow-up of implementation with countries
- Involvement in the initial setting up of the Performance Improvement Team
- This assignment will be limited to a maximum of 2 years. After that, you will revert back to your current employment contract. We will support you if you are moving abroad for this position.

What You'll Need

- At least 2 years of operational experience in the logistics or supply chain departments at Lidl
- English language skills of at least B2 level, German language skills desirable
- A dynamic and analytical way of working combined with real team player qualities
- Pragmatic behavior to implement big ideas quickly
- Willingness to make international business trips on a regular basis

We are managing the application process on behalf of the department concerned and will forward your application to this department. The entire process will be handled with discretion and in the strictest confidence.
