Welcome to #NewLidlCountries

Are you looking for a new challenge in your professional life?

Do you want to develop personally and professionally and take on responsibility, especially in an international context?

Then the career opportunities in our expansion countries are perfect for you!

Apply now!

Your responsibility as part of our new opening

- **Leadership of employees** in the sense of corporate leadership and behavioral principles
- Responsibility for **operational personnel matters**, delegation of tasks to employees, and **conducting employee meetings**
- Identification of the national contract processing processes and ensuring the implementation
- Prioritizing, organizing, and tracking the tasks of the KVV employees

What it takes to drive expansion

- **4 years of experience** in Procurement and leading the team
- Minimum **Bachelor's degree**
- Fluent in national language (**Bosnian/Croatian/Serbian**)
- Fluent **German** speaking skills, and good **English** knowledge
- Self-initiative, quality awareness, and result-oriented

Working in an expansion country - what we offer

- You will take a lot of responsibility, allowing you to develop both professionally and personally
- You can help build and shape the local organization and leave your own mark
- You will experience just how international Lidl is and have the chance to expand your international network
